ABOUT US

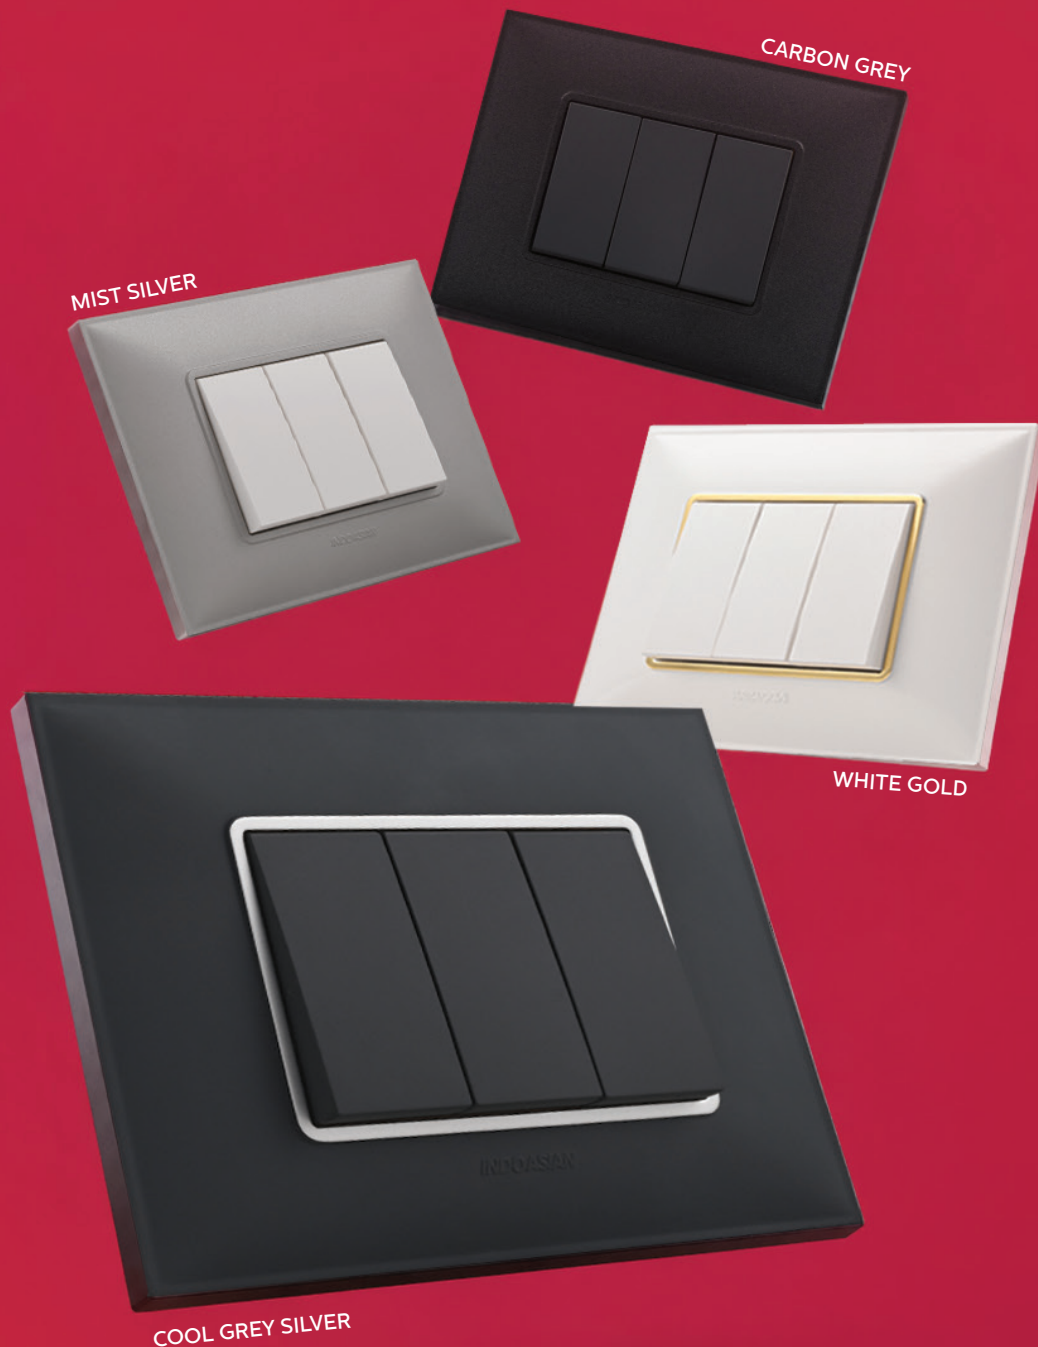

IndoAsian, an Indian-origin brand established in 1958, has been a pioneer in electrical safety and innovation delivering reliable, high-quality solutions. With industry-leading milestones such as introducing 6kA and 10kA MCBs and RCCBs in India along with its association with Group Legrand India, the brand continues to strengthen its innovation and reach. The brand also comes with

comprehensive range of Wiring Devices portfolio, offering reliable and innovative solutions designed to meet the evolving needs of modern homes and spaces. Guided by its commitment to the safe, efficient and convenient use of electricity, IndoAsian upholds customer-first innovation and ethical and sustainable practices.

INTRODUCING 4 NEW FINISHES

Shynora has been bringing together contemporary design, quality and seamless technology for many years. With stylish switches and accessories made for modern spaces, it combines thoughtful functionality with distinctive styles and finishes that set it apart. The range now gets a fresh expression with four new finishes, created to complement your style and interiors.

Contemporary
aesthetics for
modern interiors

Bezel with a high quality
hot-stamped metallic
finish

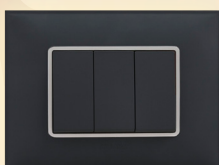

Durable matte
surfaces for a smooth,
lasting finish

Distinctive colours
and accents to reflect
your style

Quality that **shines**

Built with high-quality material, Shynora switches combine refined design with dependable performance. RoHS compliant, CRS certified and fire retardant, they are made to deliver lasting quality while complementing contemporary interiors.

High quality material
for durability

RoHS compliant for
sustainability

Fire retardant for
enhanced safety

Now available in four new contemporary finishes,
White Gold, Cool Grey Silver, Mist Silver and
Carbon Grey, so functionality can reflect your style too.

Easy to clean
for maintenance

Precise fit & finish
for alignment

Easy installation
for convenience

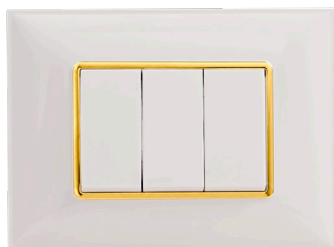

Designed for **every way of living**

Shynora's versatile range is designed for diverse applications across modern residential and hospitality spaces. From lighting and fan control in living rooms and bedrooms to TV, appliance and charging applications in kitchens and dining areas, the range adapts seamlessly to everyday needs.

Its thoughtful applications also make it well suited to trendy, contemporary hospitality environments, bringing dependable functionality and stylish design to spaces where every detail matters.

What's your perfect finish?
