

INDOASIAN[®]
MAKES SENSE

Shynora

Add a touch of
shine to your life.

#AapKiShine

The background of the advertisement is a solid, warm beige color. On the right side, there is a large, arched window with a white frame. The window has a semi-circular transom at the top and two doors below it, each with a grid of six rectangular panes. The doors are closed and have small, silver-colored handles. To the left of the window, there are five small, square, white-framed openings arranged in a 2x2 grid with one square centered below them. These openings are empty, showing the beige wall behind them.

Designed to make you
shine with pride.

IndoAsian | Enriching quality of life since 1958

IndoAsian has always been a pioneering Indian-origin brand that has offered high-quality products. Our expertise in the power and protection product category; and wiring devices has made us a trusted name across the globe. Over the years, we have taken pride in building products that are both functional and accessible, that's why our customers feel, **"IndoAsian Makes sense."**

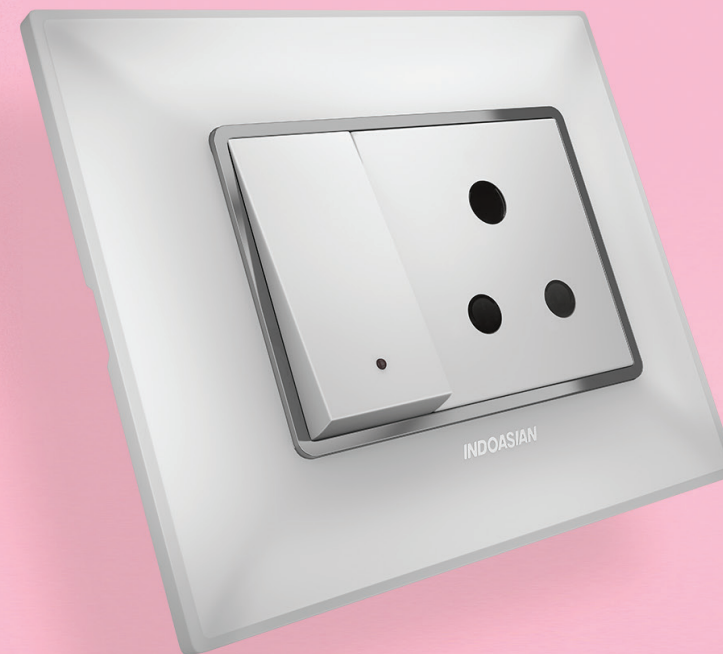

Enhance
#AapKiShine
with **Shynora**

With the new Shynora range, we have taken up the challenge of introducing a wide range of switches and accessories with trendsetting designs on top of superior functionality.

So go right ahead, elevate the style quotient of your home with Shynora, and shine with pride.

Why Shynora?

They say beauty lies in the details, and with Shynora, we have taken special care to deliver a range of stunning products that not only act as the unmissable element that elevates your living space into the league of the extraordinary but also adds smart convenience to your lifestyle.

Feel the sense of pride swelling within every time you bring home a Shynora product. After all, when it comes to a range of switches and accessories with style, quality and smart technology in equal measure, Shynora is in a league of its own.

Shynora

Stunning design

meets ease of use.

The Shynora range has been designed to seamlessly blend with any décor. Its switches, sockets and other mechanisms have been developed for surface as well as flush fitting with plates. And offers ease of installations to the users. With a wide range of in-built functions, our products also come with efficient LED indicators and convenient lazer markings to ensure a smooth experience.

Shynora

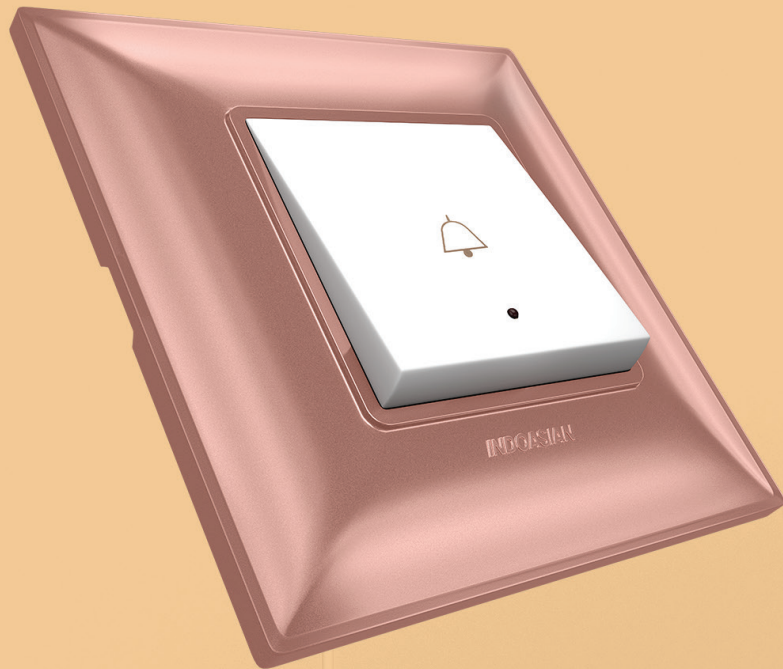

Quality that's built into the design.

Our products are built with high-quality raw materials, designed to be sturdy and robust. Not only do our products come with ISI* certification but also with RoHS compliance along with rigorous testing of our switches exceeding 1 lakh on/off operations, Humidity testing, Fire retardant test and others, to ensure they last over a decade.

Welcome guests **with pride.**

The Bell Push Switch guarantees a memorable initial impact on visitors. Its durable construction ensures long-lasting performance, while its timeless design maintains an everlasting brilliance.

Shynora

Avoid
accidents with
**shrouded
terminals &
safety shutters.**

Shrouded terminals help minimize exposure from accidental contact with live screws and terminals even during installation. Safety shutters minimizes the risk of accidents caused by putting any other objects than plugs into the sockets

This is the first time, IndoAsian will be launching wide range of single pole MCBs right from 6A upto 32A along with the inclusion of double pole MCBs from 16A upto 32A. They provide protection against electrical faults and equipment failure in the scenario of overload and short circuit.

Shynora

Future-ready

**Add speed and
convenience**
at every step

Experience high-speed network connectivity with Shynora 8-pin ethernet sockets, ideal for computers, printers, network storage devices and cables for DSL modems.

USB Charger

Meet your daily charging requirements in style without having to carry multiple accessories. Shynora charging solution comes with Type A & Type C port along with socket to charge multiple devices at a single point of time .

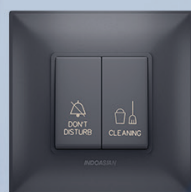

Shynora

The very best in Hospitality Solutions

Shynora adds shine to not just homes but to hospitality industry as well. The range comes with all the requirements that one can expect to have in a commercial establishment.

Shynora offers wide range of hospitality solutions that includes DND & MMR internal and external units, door entry switches with both mechanical and electronic operations, shaver sockets, skirting lights, USB charging solutions etc to make your guest feel comfortable during their stay.

Nothing less than
**the highest
in safety.**

When it comes to ensuring the safety of our products, we have left no stone unturned.

Shynora products undergo stringent tests at multiple levels and come with the ISI mark that testifies to their safety. Our switches can withstand high temperatures so that your home always stays protected. What's more, all our sockets have an integrated safety shutter to prevent from shocks.

The assurance of a 10-year warranty.

Shynora products ensure a warranty against manufacturing defects, subject to use of the product for the right application, with correct wiring/connection and normal operation conditions. Please refer to the detailed IndoAsian warranty policy.

For All Switches (Without Neon Lamp)
& Socket: 10 Years

For all Other Products: 2 Years

Our Range

The Shynora wiring system device consists of switches, sockets and indicators that are packed with style, functions and features. This high-quality range extends from residential to offices to hospitality that are ISI certified. The range includes defined dimmers and fan regulators, USBs, Hospitality products (Key card, DND & MMR), call bells, skirting lights, Modular MCBs, 15A socket and motor starters and many more...
