Onza

EMPOWER YOUR
Style

At **Onza**, we believe that style should never come at the expense of functionality. Our products are designed to empower your spaces with the perfect balance of sleek design, innovative technology, and enduring quality.

Whether in hospitality or the home, **Onza's** switches and accessories create a seamless blend of aesthetics and performance, transforming everyday experiences into something extraordinary.

EMPOWER YOUR *Style*

**CERTIFIED SAFETY
YOU CAN TRUST**

CB, BS & IEC standards.

**FIRE-SAFE
DURABILITY**

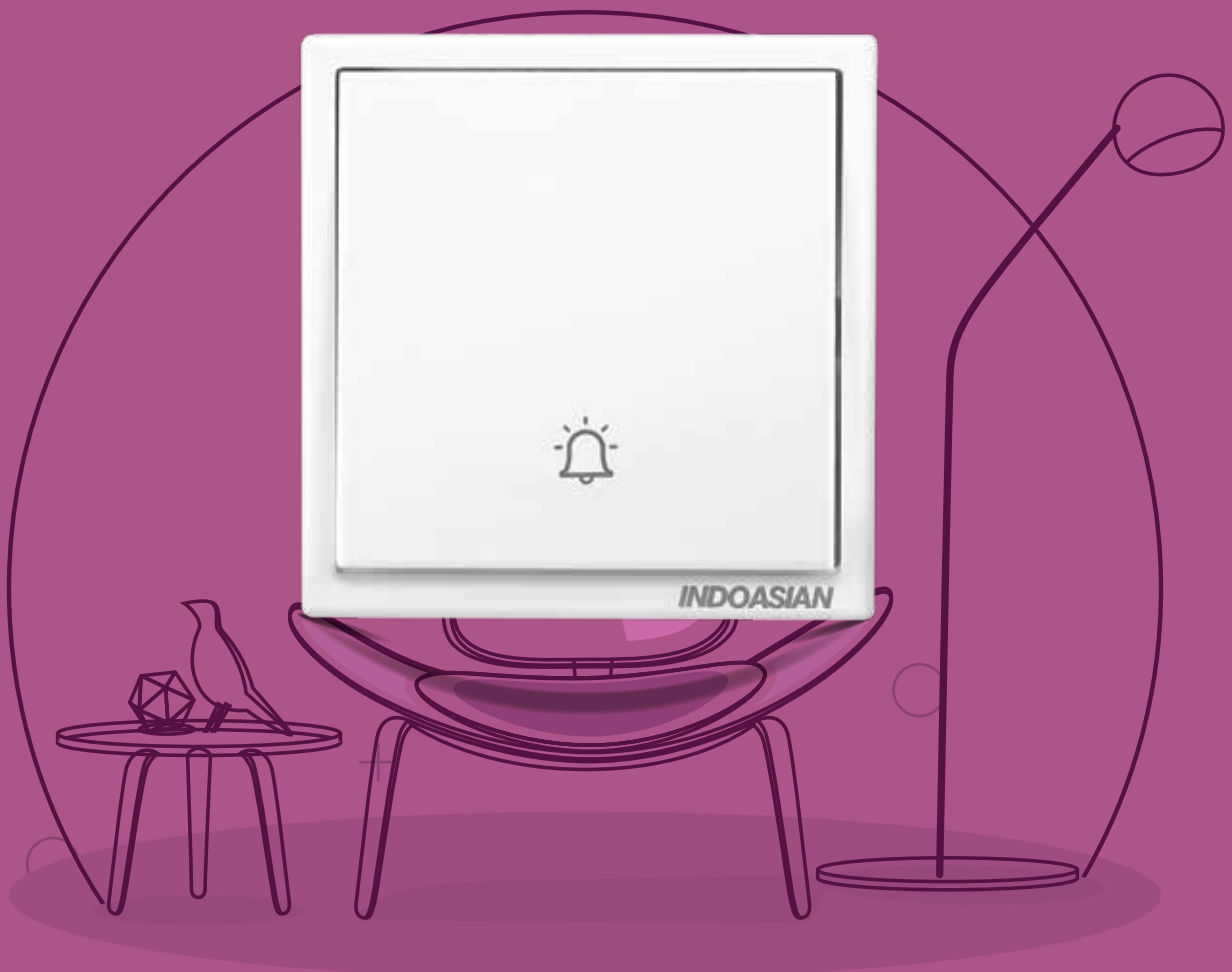

Passes the high temperature glow wire testing ensuring maximum safety.

**IP20
Protection**

SWITCH ON *Style.* SWITCH TO ONZA!

Onza is not just a switch; it's a declaration of style, innovation, and reliability. Crafted to perfection, Onza brings together modern aesthetics with exceptional functionality. Drawing inspiration from nature, each switch combines elegant design with ease of use, transforming your space while ensuring unmatched durability and performance. Step into a world where design and purpose come together, and let Onza redefine the way you interact with your living and working environments.

COMPACT ELEGANCE

A wide rocker with a slim profile for seamless space efficiency.

SUBTLE CURVE, BOLD PROFILE

Ergonomic curved rocker design that enhances touch sensitivity for superior comfort.

SLEEK GLOSS, EFFORTLESS CARE

A shiny and smooth finish that resists stains & makes cleaning easy.

TREE-INSPIRED RIB FOR DURABILITY

- Mimicking the natural strength of tree branches, the rib design offers outstanding durability and support.

SPACIOUS TERMINALS FOR EASY WIRING

- Larger terminals make installation faster & more convenient.

CB, BS & IEC standards.

ECO-SAFE DESIGN
Made with eco-friendly materials, Onza reflects sustainability without compromise

Elevated *Style.* Effortless Type C Charging.

Onza takes your spaces to the next level with switches that integrate USB ports and sockets for smooth power and charging solutions. Designed with the demands of modern living in mind, these products blend functionality, safety, and innovation in a design that complements any environment. Whether in hospitality or your home, Onza's products ensure a seamless experience and a stylish upgrade for your interiors.

MULTIPURPOSE USE

With this multipurpose socket, you can leave it to power and charge up your devices while you recharge yourself.

CERTIFIED SAFETY

Meets CB and EMC standards for safe, reliable performance.

EFFORTLESS INSTALLATION

Designed for simplicity, making installation quick and easy.

DURABLE PERFORMANCE

Passes over 15,000 plug-and-pull cycles, meeting BS1363-2 standards for longevity.

FAST CHARGING

USB ports support fast, efficient charging for a range of devices, including cutting-edge 1G 20W and 2G 27W USB A+C configurations.

SOCKET WITH SHUTTER

Prevents accidental contact with live parts, ensuring enhanced safety.

20W

20W(A+C)

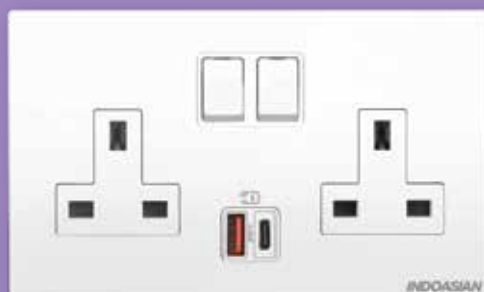

1G sockets only

27W

27W(A+C)

2G sockets only

1 & 2 Gang BS switched 13A socket with USB Type-A+C charger

Seamless *Style.* Superior Reliability.

At Onza, we understand that in hospitality, every detail counts. Our products blend modern design with practical functionality, transforming everyday spaces while prioritizing safety and reliability. Whether in a guest room or a shared space, Onza's products provide the perfect fusion of style, functionality, and performance to create memorable experiences for guests and ease for operators.

SLEEK DESIGN

Glossy finishes and meticulous design details add a touch of sophistication to any setting.

PRACTICAL & ELEGANT

Thoughtfully designed, from small curved edges to matching finishes, ensuring elegance & ease in every interaction.

16 16A KEY CARD SWITCH

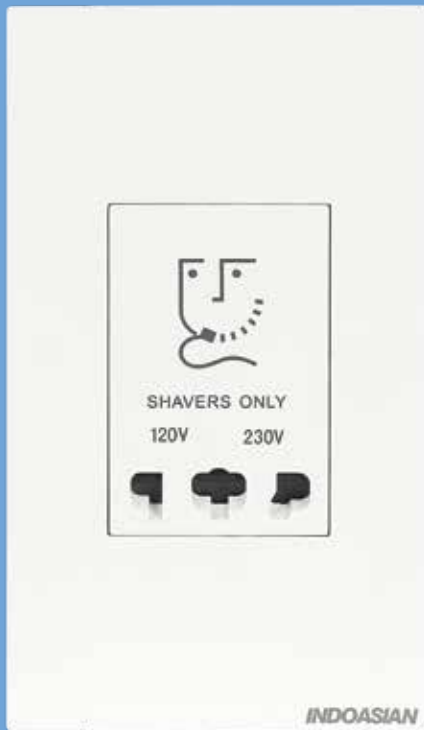

ENERGY EFFICIENCY

With a 30-second power-off delay, our key card switch shuts off the room's power, reducing electricity consumption when not in use.

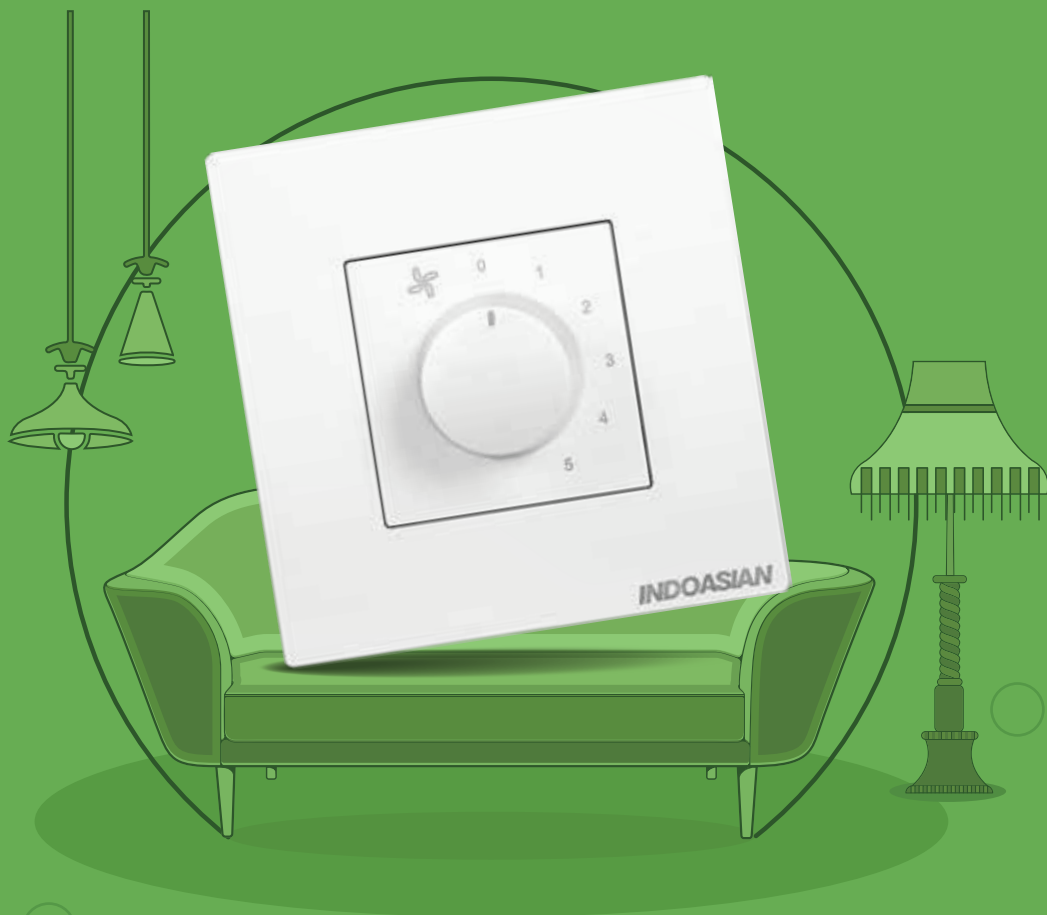

Internal control unit

Shaver Socket

Superior *Style.* Effortless Functionality.

Onza fan regulators and dimmers, certified with CB and EMC standards, guarantee safety and reliability. The fan regulators provide five adjustable speed settings, fitting securely with all inline fans for quiet, comfortable airflow. Built with IP20 and fire-safe durability, they ensure long-lasting performance and safe installation. The dimmers offer smooth, flicker-free dimming with wide compatibility for various lighting types.

Universal Dimmer Suitable
For All Modern Loads

FIRE-SAFE DURABILITY
Passes the high temperature
glow wire testing ensuring
maximum safety.

**IP20
PROTECTION**

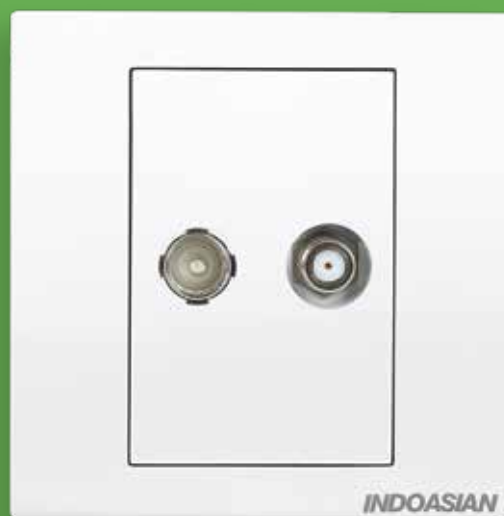

Our data sockets ensure reliable connectivity with a sleek glossy finish for easy cleaning and compliance with all safety standards.

RJ11 Socket

Double RJ45 CAT6 UTP

TWO TV SOCKETS F TYPE + FEMALE

GLOSSY FINISH

Sleek and easy to clean, maintaining a polished look effortlessly.

EASY INSTALLATION

Effortless installation with a secure connection, eliminating the need for wire stripping.
